1 A 20 milligrams of Paxil.

2 Q Okay. And what were you seeing the person for? Anxiety?

3 A Anxiety.

4 Q And you said that you had some kind of traumatic
5 experience which caused you to seek counseling with this
6 person; is that right?

7 A Correct.

8 Q And what was that?

9 A I was raped.

10 Q When was that?

11 A In 2000.

12 Q Okay. Where was that -- did that occur?

13 A It occurred in Dryden.

14 Q Dryden, Michigan?

15 A Yes.

16 Q Did you make a police report?

17 A I'm sure there was a police report.

18 Q Was there a prosecution?

19 A No.

20 Q Was the perpetrator apprehended?

21 A Yes.

22 Q And what happened to him?

23 A You would have to understand the whole story, but he
24 was -- the evidence was signed away, so he got away
25 scot-free.

1 Q Tell me what that means.

2 A My stepsister Jody has cerebral palsy and can't sleep
3 without her Barney dolls. Because the rape took place in
4 her bedroom, they confiscated everything out of her
5 bedroom. My stepmother gave my father an ultimatum,
6 either my -- she gets her daughter's stuff back or she
7 divorces him. He chose them, so I signed the waiver.
8 All the evidence was released and he was released.

9 Q Who was the perpetrator?

10 A Jamie Perani.

11 Q How do you spell that?

12 A I have no clue.

13 Q And who is he?

14 A He was a stalker that I had from winning beauty pageants
15 that I did not know about.

16 Q Jamie Peroni?

17 A Perani. That's all I know.

18 Q So tell me about your -- Tell me what happened to the
19 evidence.

20 A I signed a piece of paper to release the evidence so my
21 stepmother could get back all of my stepsister's things.

22 Q Okay. And what was the evidence that you're talking
23 about? Stuff that was in your --

24 A Blankets, pillows, her Barney doll. Everything in her
25 bedroom.

1 Q And did the police do any sampling or testing on this
2 stuff?

3 A I have no clue.

4 Q Did they do a rape kit?

5 A Yes.

6 Q And what did the rape kit come back as? Positive?

7 A Yes.

8 Q For him?

9 A He used a condom, sir. There was no semen in me.

10 Q So was he -- Were charges pressed?

11 A They were later dismissed against him.

12 Q Okay.

13 A Because of lack of evidence.

14 Q Why would your stepfather want the return of the items?

15 A That was my stepmother.

16 Q Why would your stepmother want the return of the items to
17 the exclusion of a criminal prosecution against somebody
18 who raped you?

19 A Because she was a gold digger. Married my father for
20 money and wanted him away from his children.

21 Q So did you make a -- You said you made a police
22 complaint?

23 A I'm not sure what all happened. I was taken to the
24 hospital. The police came to the hospital.

25 Q Who reported the rape?

Natalie Reeser

1 A I did.

2 Q So you saw this social worker for, you said, a year or
3 two?

4 A Yes.

5 Q Is that clinic still there?

6 A I have no clue.

7 Q And then what caused you to stop seeing the social
8 worker?

9 A I probably didn't have insurance anymore.

10 Q Where were you working at the time?

11 A I wasn't working. I was going to college. Well, I was
12 working probably for a gym at the time during college. I
13 don't remember the name of the gym. That was early --
14 early when I was a freshman, so.

15 Q What gym was it, do you remember?

16 A I have no clue. It's not there anymore. It was in
17 Rochester Hills. They now have built a big fitness
18 center over it.

19 Q So since seeing this psychologist, social worker, have
20 you seen anybody else for any depression, anxiety, any
21 mental or emotional conditions?

22 A Yes. I went to my personal primary care doctor, Dr.
23 Kahnamoui, after this incident with Henry Ford, because
24 my anxiety came back, my panic attacks came back, I
25 needed medicine. This has put so much stress on me that

1 Q -- fiance dropping you?

2 A -- me going to the State and what Fiona did to me.

3 Q So are you saying that prior to leaving the -- Strike
4 that. Prior to leaving the employment of Henry Ford
5 Health System you weren't being treated by Dr. Kahn moui
6 for any anxiety for depression.

7 A Just my regular Paxil pills that I've been taking for 10
8 years, but he had to up them -- up it because the
9 depression was huge and the anxiety got worse. Like I
10 was having panic attacks on a daily basis to the point
11 where I almost went agoraphobic and couldn't leave the
12 house, so.

13 Q And how often before that, your termination from Henry
14 Ford, were you taking Paxil?

15 A I took Paxil every day since 2001. However, after the
16 termination at Henry Ford it needed to be upped and
17 adjusted, and now I take 50 milligrams of Paxil instead
18 of 20 milligrams of Paxil, and I also take Xanax to calm
19 my nerves for the anxiety and panic attacks this lawsuit
20 has caused me.

21 Q And what do you mean this lawsuit has caused you?

22 A The stress of knowing I have to testify about my rape and
23 you're going to ask me questions about that has caused
24 tremendous stress, the questions that you want to ask me
25 about, just this whole thing. I mean it's caused a lot
